**NDCRS ARCHITECTURAL SITE FORM
PAGE 3—Feature Data****UPDATE**Field Code Heimes School #2SITS# 32 BA 750**Complete a Page 3 for each feature.****1. Feature Description, Integrity, Eligibility:**

This feature has been previously recorded so I will add additional notes for small changes. The bell tower showed openings on all sides and that is now closed. The double hung windows have half or more covered for protection. The interior, as viewed through the windows, show wood walls with colorful murals painted on them. The floor has been covered with rubber matting to protect the wood floor and it is now used as a warming house for the ice rink. There are old light fixtures inside.
