Dating Method(s): _____

Feature Preservation Recommendation(s) (Check all that apply):

Individual nomination

Contributes to a potential district

[checked] No nomination potential

Will not contribute to a district

Potential district—feature would be a contributing element if other properties constitute a district

Thematic nomination potential

Component of a historic site or landscape

Moved (specify all applicable choices)—a) relocation occurred within a historic period; b) recreates original site, orientation, landscape, & spatial relationships; c) compatible in context with neighboring structures; d) relocation has damaged eligibility

Historical associations require further investigation
