**NDCRS ARCHITECTURAL SITE FORM
PAGE 3—Feature Data**Field Code Stewart Township SchoolSITS# 32 KD**Complete a Page 3 for each feature.****1. Feature Description, Integrity, Eligibility:**

The feature is a one room prairie school sitting on an abandoned farm site. The school was moved to this location from Northwest Township, directly west. Shakes cover the roof with more shakes on a bump out on the west side of the roof. No evidence of a chimney. The siding is mostly lap siding with board lumber in areas that had windows or other openings. There are two areas on the east facing wall that appear to have been windows, now boarded up with the outline of the window still visible. On the south wall there were two small windows, also boarded up. The west end has been remodeled to add a garage door. The interior was stripped out and the floor is dirt. The building is used for storage. Schools in Northwest Township closed in 1957.
