The feature is a one room prairie school sitting on a concrete block foundation. The gable roof is covered with asphalt shingle and they look to be quite new. There is no chimney. Soffits are closed. The building measures 26 1/2 feet east to west and 18 feet north to south with the entry measuring 8 feet east to west by 10 1/2 feet north to south.

There are three double hung metal clad windows with glass intact and storm windows. A sliding window with a screen sits high on the north wall. The siding on the building is vinyl with vinyl corner trim. The entry port has a solid core, locked door reached by a wood porch with wood railing. The walls and ceiling inside are wallboard. No wainscot. There is a blackboard on the east wall. electric light can be seen along with power lines into the school. There is a flag pole in the yard at the west side. They have propane heat in this building.
