**Feature Preservation Recommendation(s) (Check all that apply):**

- Individual nomination
  - Contributes to a potential district
  - No nomination potential
  - Will not contribute to a district
  - Potential district—feature would be a contributing element if other properties constitute a district
  - Thematic nomination potential
  - Component of a historic site or landscape
- Moved (specify all applicable choices)—a) relocation occurred within a historic period; b) recreates original site, orientation, landscape, & spatial relationships; c) compatible in context with neighboring structures; d) relocation has damaged eligibility
- Historical associations require further investigation
