

HISTORY HUNT

On a fall day more than 400 years ago in Double Ditch, a Mandan village
Can you find...

* Please don't touch the hand-painted mural.

One earthlodge being built

Two midden mounds (trash piles)

Three balls

Four hides being worked
(stretched, scraped, etc.)

Five dogs

Six bullboats crossing the river

Seven drying racks for food
(corn, squash, meat)

Eight people on one roof

Nine people carrying burden
baskets

Ten people building a palisade
(wooden fence) and digging a ditch

Bonus Hunting

- Kids playing games
- Cool place to store food (storage pit)
- Bison herd
- Woman making pots
- Ladder made by notching a log
- Group of traders walking toward the village

Food For Thought

What would a painting of your neighborhood include?
