

Inspiration Gallery: Yesterday and Today

Enjoy captivating stories illustrating North Dakota's unique character from the mid 1800s to contemporary times. Learn the ongoing story of our state and its people through a variety of themes that continue to shape history: agricultural innovation; industry and energy; settlement, immigration and migration; conflict and war; our communities; and cultural expressions.

Governors Gallery

This gallery hosts traveling exhibits and showcases State Historical Society of North Dakota collections.

ON EXHIBIT NOW: Go green with *Green Revolution*! Explore how you and your family can be more eco-friendly with a new Smithsonian eco-zibit made from recycled and repurposed materials. *Green Revolution* focuses on important environmental issues such as alternative energy sources, green building, recycling, and waste management.

This version of Green Revolution is based on an exhibition originally created by the Museum of Science and Industry, Chicago, and its Black Creativity Council, and is made available by the Smithsonian Institution Traveling Exhibition Service.

Free museum admission
seven days a week!

Adaptation Gallery: Geologic Time

From the monstrous sea creatures living in primordial oceans to the rise and extinction of dinosaurs, from tropical swamplands with crocodiles to the end of the ice age, this gallery tells the fascinating story of the geology and life in North Dakota beginning 600 million years ago. Explore exhibits including Underwater World, When Dinosaurs Ruled, Extinction and Climate Change, Mammals on the Savanna, and The Great Ice Age.

Innovation Gallery: Early Peoples

This fascinating gallery, devoted to the earliest peoples of North Dakota, highlights the beauty of the State Museum's collections. The story of the early peoples began more than 13,000 years ago. Enjoy artifacts from prehistoric cultures, the international story of the fur trade, oral histories, and stunning collections from prehistoric tribal life to the 1860s.
